NEWSLETTER FOUR - 17 October 2008

KIWI CUP, ACCOMMODATION, SOUVENIR SHIRTS

Only 19 sleeps to the beginning of WAPC 2008. The event is really starting to take shape at Hamilton Pistol Club, thanks to the small band of volunteers working hard to make it all happen.

A brand new falling plates range, along with equipment upgrades on the other 3 match ranges is all complete, and other ranges are being prepared for side matches. There are some pictures of the ranges on the WAPC 2008 website gallery page.

MAIN SPONSORS

The 6th NRA World Action Pistol Champs are being held in conjunction with NZ's premier local Action Pistol Event, the **Ruger** Kiwi Cup. The matches consist of the four traditional Bianchi Cup events, the **Steel & Tube** Falling Plates Event, **Zero Bullets** Barricade Event, **Serious Shooters** Practical Event and the **Hornady** Moving Target Event. The growing list of match sponsors is displayed at the end of this newsletter. WAPC 2008 is thankful for their support, without which the match could not be a success.

RUGER KIWI CUP ENTRY REMINDER

Entries to the World Action Pistol Championships have closed, however, entries will still be accepted for the **Ruger** Kiwi Cup until 29th October 2008, so if you haven't yet entered, and want to be a part of a great week of shooting, you still have 12 days to get your entry in! **Ruger** Kiwi Cup entries are completed on the same form as the WAPC. You can download the form from the WAPC 2008 website.

ACCOMMODATION

If you are attending the WAPC 2008 or **Ruger** Kiwi Cup and have not yet organised your accommodation there are still a number of rooms available at the official match hotel, located directly across the road from the range complex. The Hamilton Airport Motor Inn's website is www.airportinn.co.nz

If you need assistance organising your accommodation, contact us at info@wapc2008.com

SOUVENIR SHIRTS

All WAPC 2008 entrants receive a complimentary special match shirt. While the WAPC 2008 match shirt is not available for additional sale except to entrants in the World Champs, we are able to offer a white cotton polo souvenir shirt. This polo is available to anyone, whether shooting, helping or just wanting a special shooting shirt.

However, these shirts will only be made to order, so if you wish to purchase a shirt, you will have to place your order with us no later than 21 Oct 2008 (that's only four days away!), and we will need to know what your normal polo shirt size is (sizes available: S, M, L, XL, 2XL, 3XL, 5XL).

The shirts are priced at NZD\$50 each, and feature the match logo embroidered on the left front breast, and a match graphic screen printed on the back of the polo. On the next page there is a virtual impression of what the shirt will look like. The shirt on the left is that actual polo being supplied, the right side of the image is just to show what the image on the back of the polo will look like. Only white with black print is available.

**WAPC Souvenir Cotton Polo
White only**

Sizes: S, M, L, XL, 2XL, 3XL, 5XL

To place an order for a shirt (or two!), please email info@wapc2008.com ASAP, advising the number of polos required and the size(s). You will receive a reply confirming the total price of your order, and that the polo(s) must be collected and paid for during the WAPC 2008 event, at the range complex.

There will be no spare shirts available for sale at the event, so if you wish to purchase one of these shirts, even if you are a WAPC competitor and have already ordered the additional special match shirts, please place your order **NOW!**
